## **SPECIFICATIONS**

### **AWARD OF THE BID**

The County will award the sale to the highest responsible bidder for the property. The County, however, reserves the right to reject any or all proposals, to waive defects and technicalities therein, or to advertise for new proposals in order to award the property in the best interest of the County. (The highest responsible bidder will hereinafter be referred to as the successful bidder.)

Within 90 business days after the bid proposal of the successful bidder has been opened, read publicly, and been accepted by the County, the County will notify the successful bidder by mail that his/her bid proposal has been accepted. Bid proposals may not be withdrawn during the 90-day period.

All bid securities except the bid security of the successful bidder and the second highest bidder will be returned within 90 business days after the date of the opening of bids. The bid security of the successful bidder will be credited toward payment of the sale price. The second highest bid security will be returned after full payment is received from successful bidder. The successful bidder acknowledges that they will be responsible for any Deed Tax or other fees which will be in addition to their bid.

Failure on the part of the successful bidder to pay the full sale price within 90 calendar days after notification of bid acceptance shall be considered proof that the successful bidder has elected to abandon the purchase and forfeit the bid security, not as a penalty, but in liquidation of damages sustained by the County as a result of such failure.

Upon receipt of the full sale price, the County relinquishes ownership of the property and building to the successful bidder.
